**FEBRUARY 4, 2011 CHAPTER MEETING
*VENDOR EQUIPMENT SHOW***

To Vendor (Associate) Members,

The 6th Biennial Arizona Chapter Vendors Equipment Show will be held February 4th 2011 at the Salt River Project's "Pera Club". This will be the 1st RMFMA Arizona Chapter Meeting for the year. Salt River Project's "Pera Club" is located at 1 E. Continental Dr. in Tempe, AZ. This year we will be joined by the Valley of the Sun Clean Cities Coalition displaying "Clean Fuel Vehicles".

Each "exhibit" will have a 10' x 12' space in the Pavilion. (The Pavilion has 12,000 square feet under roof.) Vehicles will be displayed on the surrounding asphalt and parking area. Vendors will provide their own booth, (table, chairs, etc.) and there is electric available on the structural supports of the Pavilion.

The Arizona Chapter Board views this meeting as a "Vendor Appreciation" Show, and requested there be no "cost" to display. However, the Vendor Committee is requiring each booth provide a DOOR PRIZE worth a minimum of \$100.00. The drawings will be held at the end of the show, a proven way to have members stay for the whole show.

Please note: In the past some vendors have brought multiple prizes that add up to \$100, NO MORE, if you bring multiple prizes they will be given away together as one.

- January 28th will be the deadline for Vendors to register for show space.
- Outside space will be limited to 2 vehicles per Vendor.
- Show will open at 10:30 AM, (set up as early as 7AM & some big trucks on Thursday after 3PM)

Vendors (Associate Members) **must** be in good standing in the Chapter or Region to participate. E mail the information below right away.
