### **A G E N D A** – (subject to change) (Times are approximate)

- 8:30            Networking and Continental Breakfast
- 9:00            Welcome, Tracy Ochsner, Colorado Chapter Chair  
                  Introductions and announcements
- 9:15            What You Don't Know About Antifreeze CAN Hurt You  
                  What we thought we knew about antifreeze has changed dramatically. International (and others) now use a poly organic NAP-free factory fill. Adding nitrites to these new technologies can seriously compromise the truck's radiator. In this informative and educational session, Clear Choice Antifreeze CEO John Panasewicz will sort through the confusion and give you a solid set of recommended Best Practices to best protect your fleet. This is a DO NOT MISS class
- 10:00           Clean Cities update and grant opportunities –  
                  Natalia Swalnick, Denver Metro Clean Cities Coalition
- 10:15           Break
- 10:30           Vendor Profile - Boulder Electric Vehicle, CEO Carter Brown
- 11:30           Tour of Boulder Electric Vehicle & Lunch
- 1:00            Business Meeting
- 1:30            Hybrid Safety- What every Fleet Manager and Technician Should Know  
                  Arapahoe Community College, Scott Rill and Jerry Viola
- 2:15            Fleet Profile – City of Boulder, Joe Castro
- 3:15            Door prize drawings –  
                  Associate members please see any of the board members with your donations!
